

CK Lexi's Halo

Date of Birth: 07/05/2020 **Registration 1:** CI327037

Breeder: Brett and Teresa Krause Owner: Jack and Karin Roper

Beautifully marked heifer with nice conformation, great disposition, and the future is bright with some stacked genetics in her pedigree, Hubbells 20 Gauge, 90"TTT Hubbells Rio Glory, 105"TTT Cowboy Tuff Chex, JP Rio Grande, and 100"TTT BL Rio Catchit just to name a few. Animals with 80"TTT, 90"TTT, and 100"TTT in pedigree makes her desirable to our program and it's fun watching her grow.
