A granddaughter of the legend Cowboy Catchit Chex son of the over 100" TTT BL Rio Catchit, this girl is built and has very nice markings. Her pedigree on the bottom is undisputable with names like Bandera Chex the sire of another legend Fifty-Fifty BCB, Poco Lady BL, and Ringa Dinger. This young girl is an excellent opportunity to own into some of the best genetics in the breed and will be an excellent foundation cow for any program
