Everyone needs a red cow in their pasture, so let it be a great one. This deep bodied cow is built like a tank, has a beautiful set of horns measuring nearly 82", is extremely docile, produces outstanding, colorful offspring and has given us 3 out of 4 heifers in the past 4 years. Stacked with some great genetics like PCC Rim Rock, JP Rio Grande, Gunman, VJ Tommie (Unlimited), Cowboy Chex, Overwhelmer, and Lamb's Power Play to just name a few.
